

WHAT'S THAT SPOT?

A GUIDE TO GRASS FUNGI

Does your lawn look like any of these pictures below? You may have a lawn fungus. No big deal, give us a call and we can provide treatment options!

What should I do about them?

The right treatment depends on the type of fungus or fungi you're dealing with. If you have noticed any of these tell-tale signs of fungus in your lawn, give us a call. We'll help you identify the problem and find the right solution to restore the green to your grass.
